Education

Bachelor of Computer Science

2022 – 2025

[G.M.D. College Sinnar, Nashik] [Savitribai Phule Pune University]

CGPA: 7.97

Master of Computer Science

2025 – 2027

[PE's Modern College of Arts, Science & Commerce Pune]

Currently Pursuing

Projects

Personal Portfolio Website

Nov 2025 – Dec 2025

Built a responsive personal portfolio website using HTML, Tailwind CSS, and JavaScript, React.js, featuring project showcases, technical skills, and experience. Implemented modern UI design, responsive layouts, and cross browser compatibility to enhance user experience and performance.

SmartStay: Rental Houses

July 2025 – Mar 2026

Developed a full-stack accommodation booking platform with user, host, and admin roles, featuring property listings, secure authentication, booking management, and integrated payment gateway for seamless transactions.

Exam Seating Arrangement

Ongoing project

Developing an Automated Exam Timetable and Seating Arrangement System using the MERN stack to streamline exam scheduling, room allocation, and seat assignment. Implemented intelligent scheduling algorithms to minimize conflicts and optimize resource utilization.

Work Experience

Frontend Development Intern

Nov 2024 – Dec 2024

[Cognifyz technologies, Nagpur], [Remote]

Worked on responsive web pages using HTML, CSS, and JavaScript. Assisted in implementing frontend features, resolving UI issues, and collaborating with team members using Git for version control.
