Database Management: MySQL, MongoDB.

Tools & Platforms: Git, GitHub, MongoDB Atlas, MongoDB Compass, Mongoose, Postman, Vercel, Render, VS Code.

Education:

Bachelor of Computer Science - [2022 – 2025]

[G.M.D. College Sinnar, Nashik] [Savitribai Phule Pune University]

CGPA: 7.97

Master of Computer Science - [2025 – 2027]

[PE's Modern College of Arts, Science & Commerce Pune]

Currently Pursuing

Projects:

- **Personal Portfolio Website** | [GitHub](#) | [Link](#)
Built a responsive personal portfolio website using HTML, Tailwind CSS, and JavaScript, React.js, featuring project showcases, technical skills, and experience. Implemented modern UI design, responsive layouts, and cross browser compatibility to enhance user experience and performance.
- **SmartStay – Smart Accommodation Booking System** | [GitHub](#) | [Link](#)
Developed a full-stack accommodation booking platform with user, host, and admin roles, featuring property listings, secure authentication, booking management, and integrated payment gateway for seamless transactions.
- **Task Manager – Full-Stack Task Management Application** | [GitHub](#) | [Link](#)
Developed a responsive React.js interface for task organization and status management. Implemented CRUD operations and connected the frontend with backend REST APIs using Axios, MongoDB database integration.
- **Automated Exam Timetable & Seating Arrangement System** | [GitHub](#) | - [Ongoing project]
Developing an Automated Exam Timetable and Seating Arrangement System using the MERN stack to streamline exam scheduling, room allocation, and seat assignment.

Work Experience:

Frontend Development Intern

Nov 2024 – Dec 2024

[Cognifyz technologies, Nagpur], [Remote]

Worked on responsive web pages using HTML, CSS, and JavaScript. Assisted in implementing frontend features, resolving UI issues, and collaborating with team members using Git for version control.

Certifications:

KnowledgeGate – Node.js, Express.js & MongoDB Certificate.

Feb 2026

LinkedIn Learning - Career Essentials in **GitHub** Professional Certificate.

Sept 2025

AWS - Foundation of **Prompt Engineering** Course Certificate.

Sept 2025

FutureSkillsPrime - Digital Application Fundamentals Course.

Aug 2025

Udemy - Master in **Artificial Intelligence** Course.

June 2025

KnowledgeGate - React and Redux Certificate.

April 2025
